Clementine Harvey

Biography

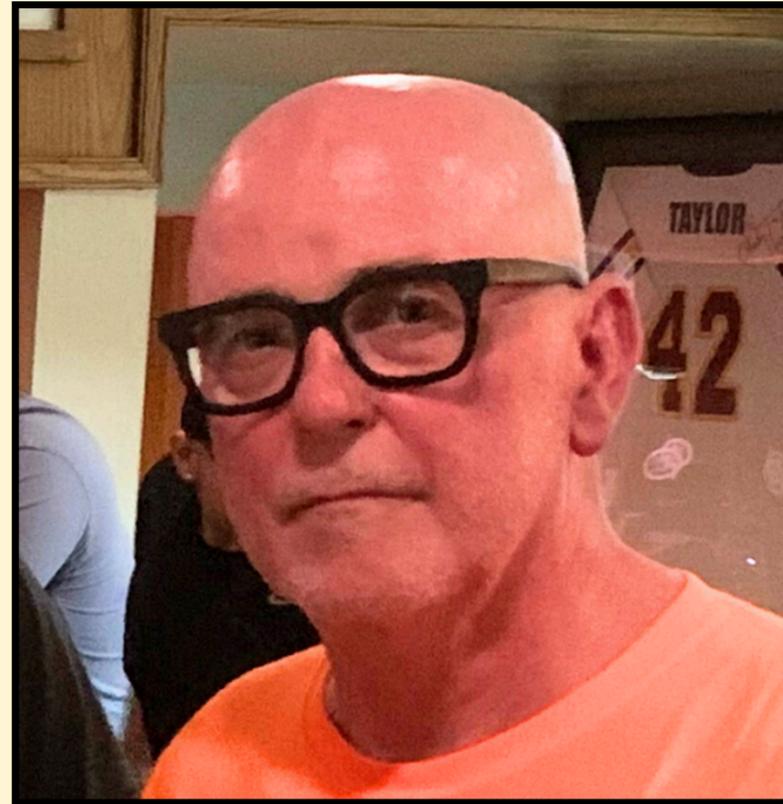

Clementine is a powerhouse. She's been classically trained since the age of 6 and is into opera, classic rock, alternative rock, and electroswing / vintage inspired music. Some favorite bands include Radiohead, Muse, Queen, and the Red Hot Chili Peppers.

The Juice

Jason Brundage

Jason started playing bass at age 12 and rocks it fingerstyle. He can play anything out there but prefers the alternative, pop, rock, and progressive genres. He has spent decades playing the local venues in Northern Virginia and Maryland and has a side hustle as a sound engineer. Some of his favorite bands include Kings of Leon, Tycho, Maserati, and Stevie Ray Vaughn.

Conor O'Brien

Conor roles with the traditional drumstick grip, has been playing since the age of 9, and started gigging by age 15. He is into ska, reggae, rock, progressive, and several other genres. His favorite drummers include Stewart Copeland, Neil Peart, and Billy Cobham.

Brad Bunton

Brad bought his first guitar from a high school friend for \$125. The first lick he ever learned was the intro to Crazy Train. After that, he started covering Black Sabbath, Iron Maiden, and Metallica. He has played in rock/metal bands over the years and generally prefers music with an upbeat tempo. Two of his favorite bands include Slayer and Lamb of God.
